**Multi custody and FO services are only for FA under IAS*

The Independent Model **gross payout at 2X** allows for more team resources, flexibility and incremental net income.

+23%
7-year Cumulative Payout

In spite of a lower transfer success rate (75% vs. 50% of assets), the 7-year cumulative post-tax payout is ~0.5MM USD higher. It also clearly beats the option of “not moving” by ~0.65MM.

Being independent simply makes more sense in the long run.
